

Corvettes of Central Indiana

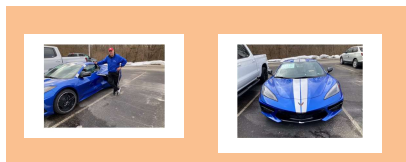

Winter and Spring Adventures

2022 started with a mixed bag of really cold weather intermixed with random 60 degree days. The boys decided Wahlburger's was a lunch destination that should not be missed, yummy! The Ladies had a nice retirement lunch for Cindy after her many years of doctoring, and now Bob is her primary patient. After Paul and Londa picked up their new C8, they hosted an impromptu evening dinner that also included salad, desert and of course libations including wine brought by several of the attending group. As we all know anytime this club gets together to eat there is a lot of fun to be had, like Ale Emporium, Murphy's Pub, Shake Shack, and Ford's Garage.

The C8 Takeover Continues

Paul and Londa welcomed their beautiful new baby while Tom P, John V, and Inbody's are all waiting for May deliveries.

Saturday Breakfasts

The breakfasts at the Carmel VFW continue in 2022. The food is great and the service is fabulous. Very soon the Wednesday back deck bourbon and cigar night will resume.

Year two TopGolf

The hardy golfers are sharpening their talents at TopGolf and also enjoying the after-game lunches. Real golf is coming when warmer weather arrives.

Virtual Zoom Meetings

The virtual zoom meetings will continue throughout 2022, to make it easy to plan events and stay informed.
