

Corvettes of Central Indiana

Winter and Spring Club Activities

The club started 2023 with the first party of the year as Wylie & Rita invited the club to their beautiful home for a Friendsgiving Party hosted by Wylie, Rita, Paul and Londa. The group feasted on an amazing spread of turkey, Italian beef, a special dish from Paul, green beans, carrots, dressing, vegetables, cheeses and crackers trays, mashed potatoes, cranberries, rolls, butter and a sweet selection of deserts and various goodies. When the weather finally gave us a sunny opening in February, the group drove their Corvettes to Cammack Station for the usual "I ate too much" funfest. Later the Bowron's and Lapham's took a sunny drive to Red Robin for a delicious lunch. In March, the Sprague's finally were able to get their beautiful Black 70th Anniversary Convertible from City Chevy in Charlotte. Randy & Sherry John & Ruth and Charlie all stayed at Jim and Shelly's house in Mooresville. Randy traded in his red C7 Z06 for the new C8, and after getting the new C8 along with the luggage package the group headed back to Mooresville for some of Shelly's famous cooking.

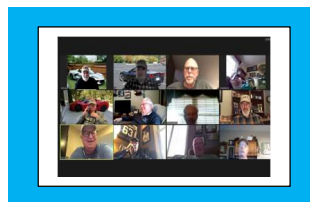

VFW Breakfasts & TopGolf

The bi-weekly Saturday VFW breakfasts are great fun get togethers for both the men and women. Top golf has been spotty with the cold weather but will likely convert to normal golf as warmer temps greet us in late spring.

Zoom Calls Continue in Popularity

The daily men's zoom calls were predicted to diminish over time, but as it turns out they have become an open chatroom source of spirited discussions, event planning, and marital counseling services. Everyone seems to enjoy them according to most men interviewed.

Virtual Zoom Meetings

The virtual zoom meetings will continue throughout 2023, to make it easy to plan events and stay informed.
