

# Corvettes of Central Indiana

## Winter Early Spring Club Activities

With Sunday weather reaching into the 70's, four couples headed off to Cammack Station. John & Ruth hosted, along with Tom & Nancy, Bob & Cindy, and Joy & Larry who was back to where he grew up. It was a great drive with everyone enjoying the beautiful day. Lunch was great too with a light crowd so seats were easily found to enjoy our meals. Another great drive for the group. First time to Bookers this year was on a beautiful day in mid March with hosts Bill & Erika, Jim, Tom & Nancy, Greg & Donna, Bob & Cindy, Phil & Anita, and John & Ruth. The lunch special was their tenderloins, which most everyone took advantage of. A great day for a fun drive with club members. To celebrate St Patrick's Day, John and Ruth hosted a great party at Taylor's Bar & Table just north of Fortville. With good weather, most everyone was able to drive their Corvettes. In the private back room with an Irish theme were John & Ruth, Charlie & Eileen, Greg & Donna, Larry & Joy, Paul & Londa, Bob & Cindy, Doug & Arminta, Bill & Erika, Tom & Nancy, Randy & Sherry, and Jim. With the great location and meal it was decided to have our club anniversary party there on Sunday October 27, to celebrate four years of club freedom with a great group of friends.

## VFW Breakfasts & Golf

When winter weather limits club activities, the Saturday bi-weekly VFW club breakfasts are a great place for a club gathering for both the men and women. There is always a lot of discussion at the men's table about what activities are planned for better weather and the women seem to always have fun discussing what their men are doing that needs to be corrected. TopGolf is still a little spotty, but right around the corner with the coming of better weather is real golf.

**Virtual Zoom Meetings**  
The virtual zoom meetings will continue throughout 2023, to make it easy to plan events and stay informed.
