

# Corvettes of Central Indiana

## A NEW BEGINNING!

The purpose of this quarterly newsletter is to share club activities and keep our members informed and excited about having started our new club in 2020.

Although we will all miss many of our old club friends, this is a new beginning for those of us who just wanted to escape the drama of the old club. The sole intent of forming our new club was to have fun with our Corvettes and drive them as much as possible.

## Holiday Activities

Although most members of our club have participated in festive Holiday activities in prior years, this year will be one of gathering virtually to stay safe and make sure we all survive to drive our Corvettes in 2021. Our virtual Christmas and New Year's parties are certainly not our preference, but provide the necessary social distancing we need to stay safe.

### Member Highlights

The gents enjoy Zoom calls almost daily to keep in touch, as well as a Saturday Zoom call for the ladies.

We are all looking forward to 2021 and the end of virtual get togethers. Warm weather will bring out the Corvettes again.

We are very proud to have

as our club sponsor

contact them for all your new/used vehicle and service needs
