

Corvettes of Central Indiana

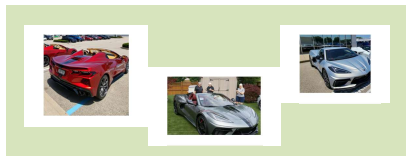

Summer's Here, Let's Drive Somewhere

As the weather got better, destination opportunities exploded. First 1000 degree pizza in Summitville, then Bookers, then off to the IMS Suite for Grand Prix qualifying thanks to Charlie. C8 day at IMS was fun, especially the Z06 Pace Car. Hard Truth Distillery was a beautiful drive, then four couples headed to North Carolina to pick up two new C8's and visit with the Noelle's. What a great time we all had and Jim Noelle gets a special shout out for the filet's he cooked. Once back in Indy, Inbody's had a reveal party for their and Vess's new C8's; with another fabulous cookout. Tom and Nancy picked up their new C8 just in time for a trip to Ivanhoe's for Strawberry shortcake, and finally, the Monon Train Museum with lunch at the Whistle Stop restaurant.

C8 Now Dominate COCI

The Piercy's, Inbody's, & Vess's have all picked up their new C8's and Sprague's have an order pending. Ten C8's in club.

Saturday Breakfasts

The breakfasts at the Carmel VFW continue in 2022. The food is great and the service is fabulous. Wednesday back deck bourbon and cigar night has resumed.

The Golf Battle TopGolf vs Real

The TopGolfers are competing with the real golfers for sharpening their talents. It looks like the real golfers are winning on a weekly basis, as the TopGolfers are being shut-out by the deluge of out of school minions.

Virtual Zoom Meetings
The virtual zoom meetings will continue throughout 2022, to make it easy to plan events and stay informed.
