

Corvettes of Central Indiana

Lots of Summer Club Activities

Four club C8 owners, Doug, Larry, Randy, and John went to the Spring Mountain Ron Fellows class in Pahrump NV with Sherry and Ruth. When done they returned to Las Vegas to enjoy dinners and shows. Larry and Doug did a helicopter ride through the Grand Canyon and buzzed the Vegas strip. The two couples rented a SUV and had a National Parks tour all the way to Denver. In other club activities, Bird's BBQ, the annual Bare Arms Corvette display, a visit to the Gilmore Car Museum in Michigan, a DnD to Wagner's Village Inn in Oldenburg, a tasty visit to Stream Cliff Farms. On the first Monday of August club members were having dinner with other members but in different locations. Four couples headed to Bowling Green to the Montana Grill, lead by Randy & Sherry, along with Tom & Nancy, Charlie & Eileen, and John & Ruth in their C8 with the new engine. The other group headed to Texas Roadhouse in Carmel. Mid-August was Greg and Donna's Deck Party which everyone enjoyed. Next up a drive to the Angry Donkey, followed by the Hensley's Summer pitch-in Party. The annual birthday drive route to Hard Truth Distillery was lots of fun, and The Tipton Pork Festival left everyone a little stuffed. Even a life sprinkle couldn't dampen the Inbody's Deck Party and what a party it was. As usual, Charlie opened his Turn 2 IMS suite for the IMSA series racing. Randy and Sherry led an all C8 trip to Number 9 Grill in Cambridge City, and the final highlight for third quarter was the trip to Traverse City for several days of wine tasting, fine dining and beautiful scenery. It will be hard to top all of these events in the fourth quarter.... but I know this club will try.

VFW Breakfasts & Golf

The bi-weekly Saturday VFW club breakfasts continue to be a great fun get together for both the men and women, their new deck is completed. Real golf is coming to it's seasonal end and TopGolf may return as cold weather takes over; we'll see.

Virtual Zoom Meetings
The virtual zoom meetings will continue throughout 2023, to make it easy to plan events and stay informed.
