

Corvettes of Central Indiana

Fall and Winter brings Exciting Activities

Starting with a beautiful fall day drive to Ricks at Eagle Creek. Then on to the very scenic drive to Sargent Rick's American Grill in Freetown for a fabulous lunch. The Club celebrated with a 2nd Anniversary party at FoxGardin and nearly all members were in attendance. Wow, how fast two years have passed when you truly enjoy getting together. Then on to the Beef House for the traditional "light" lunch with dinner roll desert. Bookers in Kirklia was next and no one went home hungry. Dooley O'Tooles served us their famous Ham'n Beans and Irish Stew; seconds anyone? Four club members along with their spouses attended the Ron Fellows Spring Mountain competitive driving school and made those that couldn't go very jealous. The wives had fun in Las Vegas while the guys learned how much fun driving a C8 can really be. 2022 activities ended with the annual Christmas party at the Piercy's for a fitting end to a fabulous year of fun activities with great friends.

VFW Breakfasts & TopGolf

The bi-weekly Saturday VFW breakfasts are great for good food and face-to-face time when other events begin to slow due to the cold weather. TopGolf has slowed down also during the late months of 2022, but will rebound as better temps greet us in 2023.

Zoom Calls are Weather Resistant

The daily men's zoom calls which were initiated during the Covid pandemic were predicted to diminish over time, but as it turns out they have become an open chatroom source of spirited discussions, event planning, and marital counseling services. The Saturday zoom calls for both men and women are thriving and everyone seems to enjoy them, although the ladies agenda continues to be top secret according to most men interviewed. Are they talking about us???

Virtual Zoom Meetings
 The virtual zoom meetings will continue throughout 2023, to make it easy to plan events and stay informed.

We are very proud to have

as our club sponsor

contact them for all your new/used vehicle and service needs
